**Manufacturers & Suppliers Of Quality Auto Parts**

**Specializing in Antique, Classic, Street Rod, and Obsolete Ford® Parts**

**Obsolete & Classic Auto Parts, Inc. Is Not Affiliated With The Ford Motor Company.**

We are extremely thankful for your business and want you to know that we appreciate the opportunity to help you in your restoration project. Call us anytime for all of your classic auto parts needs!

Parts listed in this catalog are all new unless stated otherwise such as rebuilt items. Some are genuine Ford® parts. Most of the parts we offer are exact reproductions of the original Ford® parts, made of the same and sometimes higher-grade material than the originals. Reproductions are as authentic as possible in every respect.

It is true that some of the parts we offer may cost a little more, but they fit like they should and they work right the first time. After 41 years in business, we have come across many cheaply made parts that simply do not work, do not fit correctly, or are prone to failure long before they should be. This costs everyone, you and us, more in the long run, both in time and in money. Therefore we only offer the best parts available from top name brands and quality manufacturer's. That way we can stand with confidence behind what we sell.

Some parts are limited in supply and are therefore offered subject to prior sale. Although every effort is made to keep the items listed in this catalog in stock, occasionally a part may be either temporarily out of stock, or become unavailable. Prices shown in this catalog were current at the time it was printed, and these prices supersede any previously published catalog or other material by Obsolete & Classic Auto Parts, Inc. Due to the nature of this business, manufacturer and supplier cost increases, and other market forces beyond our control, prices may fluctuate up or down and we reserve the right to change any listed price in this catalog or on our website without prior notification. Availability and/or substitution of any item listed in this catalog or on our website are also subject to change without notice.

We stock a tremendous inventory and try to provide you with the fastest and most efficient service possible. We offer Federal Express Next Day Air, Second Day Air, and Third Day select shipping, as well as standard ground shipping for your convenience. For standard ground shipping in the continental United States, please refer to the shipping chart found on the back of the order forms.

Air shipments, shipments made to areas outside the continental U.S., and international shipments, will be quoted at the time of invoicing. Items that cannot be shipped using standard shipping will be shipped motor freight and will incur additional charges.

We accept payment by personal check, cashier's check, money order and also American Express, Visa, MasterCard, and Discover credit and debit cards. We generally ship your order within 48 hours of when your payment clears. International orders must be paid by credit card or check or money order drawn on a U.S. bank in U.S. funds. We will ship your order as soon as such payment clears. We do not offer terms nor ship open account. If sending your order by mail, please use one of our handy order forms found in the back of this catalog. You may enclose a personal check or money order with your order or fill out your credit or debit card information on the order form. **DO NOT SEND CASH IN THE MAIL!**

Refunds require a proof of purchase as well as the original packaging and must be returned within 30 days of the date on the sales invoice. A 20% restocking fee may apply. We cannot refund items that have been installed, used, scratched, or show any sign of use. If an item to be returned needs to be shipped, you must get a Return Authorization Number (RA#) and write this number on the outside of the shipping container. We do not refund shipping charges. Return shipping must be prepaid. We will not accept C.O.D. return shipments. To get an RA# call us at (405) 631-3933. **NO REFUNDS ARE AVAILABLE ON BOOKS, CATALOGS, WOOD PRODUCTS, ELECTRICAL ITEMS, OR SPECIAL ORDER ITEMS!**

Orders requiring an exchange should be accompanied by the exchange. Due to the very limited availability of re-buildable cores, orders for rebuilt parts requiring a core exchange will not be processed until the core exchange has been received. Core shipping to us must be prepaid or they will not be accepted.

If you receive an order that has been damaged in shipping you must notify the carrier immediately. If you need assistance on a damaged shipment please call us at (405) 631-3933. **DO NOT RETURN DAMAGED ITEMS TO US!** If you receive an order that is wrong in any way, please call us within 72 hours of receipt. Claims for wrong orders will not be accepted after 72 hours.

**ABSOLUTELY NO REPRODUCTION OF ANY CONTENT IN ANY FORM MAY BE MADE FROM THIS CATALOG!!**

# 1962-72 Fairlane

## A

4-speed tunnel hump . . . . .	71
AC brush and holder assembly . . .	51
AC compressor gasket . . . . .	139
AC condenser core . . . . .	139
AC registers . . . . .	139
Accelerator bellcrank assembly . . .	89
Accelerator pedal . . . . .	89-90
Accessory parts . . . . .	109
Acoustic-Shield kit . . . . .	161
Adhesives . . . . .	12
Air cleaner decals . . . . .	17-20
Air cleaner element . . . . .	87
Air cleaner grommet . . . . .	67
Air cleaner to carb gasket . . . . .	88
Air cleaner . . . . .	87
Air conditioner parts . . . . .	139-148
Air intake tube set . . . . .	87
Alternator pulley . . . . .	91
Alternator to regulator wiring . . .	107
Alternator . . . . .	91
Antenna base kit . . . . .	137
Antenna base pad . . . . .	137
Antenna kits . . . . .	137-138
Anti-squeak webbing . . . . .	112
Arm rest base . . . . .	184
Arm rest mounting clip . . . . .	184
Arm rest . . . . .	182-183

## B

Back of car parts . . . . .	190-194
Backup light lens gasket . . . . .	110
Ball caps . . . . .	15
Ball joint - upper and lower . . . . .	52
Battery cover . . . . .	92
Battery disconnect switch . . . . .	107
Battery hold down clamp . . . . .	92
Battery mat . . . . .	11
Battery tray . . . . .	93
Bed rail molding . . . . .	188
Blackwall tire . . . . .	40
Body insulation . . . . .	161
Bolt kits . . . . .	207-210
Books . . . . .	5-9
Brake drum - front and rear . . . . .	37
Brake fluid - silicone . . . . .	47
Brake hose - front . . . . .	46
Brake hose - rear . . . . .	49
Brake kits - front . . . . .	41-42
Brake kits - rear . . . . .	43
Brake master cylinder filler cap . . .	47
Brake parts . . . . .	41-51
Brake pedal pad . . . . .	50
Brake shoe spring . . . . .	45

Brake shoes - front . . . . .	44
Brake shoes - rear drum . . . . .	47
Brake wheel cylinder - rear . . . . .	48-49
Breakerless ignition system . . . . .	95
Bulk window channeling . . . . .	165-166
Bumper - front . . . . .	130
Bumper - rear . . . . .	131
Bumper bolt kits . . . . .	130
Bumper brackets . . . . .	130
Bumper stickers . . . . .	14

## C

Car covers . . . . .	211
Carb air cleaner hot air tube . . . . .	88
Carburetor adapter kit . . . . .	86
Carburetor linkage rod kit . . . . .	89
Carburetor rebuild kits . . . . .	87
Carburetor spacer . . . . .	86
Carburetor throttle end - front and rear . . . . .	90
Carburetor to manifold gasket . . . . .	86
Carpet jute backing . . . . .	161
Carpeting . . . . .	159
Castellated nuts . . . . .	209
CD changer . . . . .	135
Cigar lighter knob . . . . .	109
Clutch collar and throwout bearing set . . . . .	73
Clutch fork . . . . .	71-72
Clutch pedal pad . . . . .	50
Clutch pedal pad . . . . .	73
Clutch pedal to equalizer rod . . . . .	72
Clutch release lever bracket . . . . .	72
Clutch rod adapter . . . . .	72
Coat hook . . . . .	188
Console body . . . . .	154
Console padded lid . . . . .	154
Convertible back windows . . . . .	197
Convertible hydraulic cylinder . . . . .	195
Convertible hydraulic hose kit . . . . .	198
Convertible top weatherstrip . . . . .	196
Convertible tops . . . . .	197
Cowl kick panels . . . . .	149
Cowl side panel seal . . . . .	116
Cowl top vent seals . . . . .	149
Cruise control . . . . .	54

## D

Dash cap . . . . .	153
Dash emblem insert . . . . .	153
Dash knobs . . . . .	89
Dash to headlight wiring . . . . .	107
Decals . . . . .	18-35
Deck lid lock and key . . . . .	193
Defroster hose . . . . .	133

Differential bearing . . . . .	59
Differential clutch plate . . . . .	60
Disc brake rotor . . . . .	36
Distributor cap . . . . .	95
Distributor condenser . . . . .	96
Distributor rotor . . . . .	95
Distributor vacuum diaphragm . . . . .	96
Dome lamp lens . . . . .	104-105
Dome light assembly . . . . .	104
Dome light bezel . . . . .	105
Door and window parts . . . . .	164-184
Door bumpers . . . . .	173
Door handle cup . . . . .	172
Door handles . . . . .	171-172
Door jamb switches . . . . .	104
Door latch assembly . . . . .	169
Door latch repair kit . . . . .	169
Door lock knob grommet . . . . .	170
Door lock knobs . . . . .	169
Door panel metal clips . . . . .	164
Door scuff plates . . . . .	158
Door seal kits . . . . .	164
Driving pinion bearing cup . . . . .	59
Driving pinion oil seal . . . . .	60
Drum brake hardware kit . . . . .	45
Dummy spotlight . . . . .	109

## E, F

Electric fuel pump . . . . .	82
Electric window motor . . . . .	178
Electrical and wiring parts . . . . .	107-108
Emergency flasher wiring . . . . .	99
Emission decals . . . . .	26-27
Engine bolt kit . . . . .	208
Engine compartment decals . . . . .	20-24
Engine conversion installation brackets . . . . .	64
Engine dress-up kit . . . . .	63
Engine gasket set . . . . .	63
Engine oil dipstick . . . . .	66
Engine paint . . . . .	10
Exhaust air supply tubes . . . . .	86
Exhaust manifold gasket set . . . . .	84
Exhaust manifold . . . . .	83-84
Exterior and chassis decals . . . . .	34
Exterior screw set . . . . .	210
Fan blade . . . . .	79
Fan shrouds . . . . .	76-77
Fender - front . . . . .	111
Fender emblem - front . . . . .	112-116
Fender extension molding . . . . .	111

## Shop Manuals

Shop manuals are probably the ultimate book when it comes to the original specifications and detailed information coming directly from the original Ford® parts department. Included are tons of information, specifications and instructions detailing every working aspect of your car. The large size of these books shows how much information and data is contained in every volume. Clearly a must when restoring cars! This is the book the original Ford® mechanics used to gather their information of the mechanics of the car. This is the book you need if you are doing your own repair work or restoration.

## Non Factory Specialty Books

### Holley Carburetor Rebuilding and Modifying

Shows enthusiasts and home mechanics how to trouble shoot, disassemble, clean and inspect, reassemble and tune all popular Holley carburetors. Clear step-by-step illustrations and tips for performance, racing, economy, improved reliability, and even custom finishes for a show-winning appearance. Softbound, 8½ x 11", 128 pages, 300 illustrations.

**BK-597 each..... 21.95**

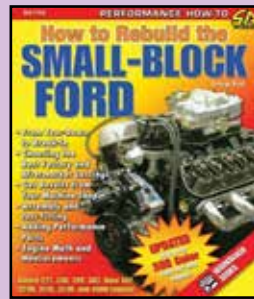

### Auto Math Handbook

by John Lawlor

At last here's an easy to read book that explains and illustrates the many automotive math equations in laymen's terms. Calculate stroke, bore, brake horsepower, torque, center of gravity, air capacity, final drive ratios, compression ratios, and much, much more. This book will enable you to put more horses under your hood with simple mathematical adjustments. Softbound,

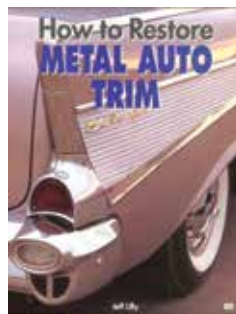

8½ x 11", 144 pages, 205 illustrations.  
**BK-598 each..... 23.95**

### How to Rebuild Your Small Block Ford®

How to find out what needs fixing. How to remove engine, tear down and inspect for wear, repair and recondition, assemble and install. Covers all years and models, 221, 260, 289, HP 289, 302, Boss 302 and 351W. Good solid information on these 1962 to 1978 Ford® engines. Softbound, 8½ x 11", 158 pages, 567 illustrations.

**BK-912 each..... 0.00**

### How to Restore Metal Auto Trim

by Jeff Lilly

Whether you are restoring your vehicle for show or personal enjoyment, this book provides basic, step by step procedures for restoring and repairing metal trim pieces on your vintage car or truck. Contains information on all the necessary tools and materials essential for metal trim repair, including what you'll need, where to purchase items and how to use the tools and materials. Covers the repair of stainless steel and aluminum trim, including decorative strips, fenders, bumpers, hubcaps, wheel covers, and door and trunk handles. Softbound, 8½ x 10½", 96 pages, 150 illustrations.

**BK-374 each..... 26.95**

### How to Rebuild Big-Block Ford® Engines

by Charles Morris

All three engines are covered in full detail in this Workbench series rebuild volume. It includes step-by-step heavily illustrated instructions that walk you through the entire process of rebuilding your Ford® engine. If you want to breathe new life into your tired old Ford® engine, this is the book for you. 144 pages, 8½ x 11"

**BK-914 each..... 23.95**

### Hi-Per Parts

A reprint of the original Autolite/Ford® catalog of bolt-on performance parts for big blocks. Covers everything to modify your 390, 406, 427, 428, and Cobra-Jet for street and strip. Carbs, manifolds, valves, flywheels, cams and much, much more. Softbound, 8½ x 11, 38 pages, 68 illustrations

# 1962-72 Fairlane

## The Absorber

This is the best chamois you'll ever have. Ideal to keep inside the glove box for those all too often spills and puddles. It comes complete with its own storage container easy enough to store in your glove box, tool box etc. Guaranteed not to rot, mold or mildew.

Small - 13" x 17"

**M-96-ABA each ..... 7.95**

Large - 27" x 17"

**M-96-ABB each ..... 9.95**

## Battery Mat

Battery Mat is a chemically treated felt like pad which is placed in the battery box under the battery. The mat is treated with a chemical base which will neutralize any acid spills coming from the battery before it can damage the equipment. Easy installation, cut to fit. 8" x 12"

**M-96-BMAT each ..... 6.95**

**New!**

## Metal Polish

Mr. Buffer contains no acids, ammonia or citrus which can harm your metals over time. Instead, Mr. Buffer polishes all metals effortlessly, leaving a protective coat that prevents rust, tarnish and other forms of oxidation. 12 ounce bottle.

**M-99-MB each ..... 14.95**

## Black Window-Weld

Urethane fits 1/10 gallon cartridge gun. This one part adhesive sealant is designed specifically to use in the replacement of bonded windshields and back glasses. It features excellent handling, performance and curing properties that make it ideal for the reinstallation of automotive glass. Requires no primer.

**M-96-BWW each ..... 38.95**

## Plastic and Emblem Adhesive

Excellent clear adhesive for plastic repair and emblem application. Use for plastic or metal emblem adhesive, interior rigid plastic, tail light lens repair, vinyl side mouldings or upholstery. 5 oz.

**M-96-EA each ..... 11.95**

## Wheel Bearing Grease

One pound can

**M-96-WBG each ..... 11.95**

## White Lithium Grease

Ideal for window regulators, rollers, door, latches, hood hinges, trunk hinges and door hinges. 16 oz.

**M-96-WLG each ..... 2.95**

## Fuel Preservative and Stabilizer

**Price Reduced!**

Prevents gum, varnish formation and corrosion in fuel tanks and fuel systems. Absolutely a must for cars, boats, planes or any other equipment when the fuel sits idle in a tank for 30 days or more. One ounce of this product will keep 3 gallons of fuel fresh for at least 3 years. Contains no alcohol that attacks some metals. Will not attack rubber parts of diaphragms as most other do. Unlimited shelf life. Safe for all 2 or 4 cycle engines. One quart will protect 100 gallons of fuel for over 3 years. Retards decaying of ethanol fuels.

**M-96-FPS quart ..... 24.95**

## The Original California Car Duster

Specially treated cotton strands lift dust off the most delicate of lacquer jobs. Guaranteed not to scratch paint with its unique circular sweeping motions. You can maintain that "just washed look" with ease. A must for every show car! Comes complete with its own vinyl storage bag.

**M-96-MD each ..... 28.95**

Check out our Swap Meet Schedule to see when we will be in your area. Maybe even save some on shipping. Call one of the guys for more information!

Restoration Supplies

### Nylon Axle Straps

This is a must for anyone who hauls or does any transporting of vehicles. These eliminate the scratching of paint when hauling or trailering your car or pickup. This is a very small investment for safety and security. Complete with mid-hooks.

**M-96-NAS each ..... 14.95**

### Poly Ratchet Tie Downs

Matches the M-96-NAS axle straps. Comes with 6 foot straps that hold 5,000 lbs. Dead weight. This is a must to ensure safety and security to your project when hauling or trailering from one place to another. Comes with a 1-year warranty against any ratchet defects.

**M-96-NRTD each ..... 37.95**

### Rust Inhibitor

Strip now, paint later. Sandblast or strip all of your parts now without having to worry about them rusting before you paint them. After stripping or sandblasting, spray a light coat of this product on your parts they will be safeguarded against rusting. Can be sprayed or dipped. Easily washes off with water. Non flammable, non toxic and biodegradable.

**M-96-RIG gallon ..... 33.95**

### 3M Super Trim Adhesive

Fast acting, high strength, aerosol contact adhesive designed for two surface application. This is resistant to heat and plastic oils and is excellent for attaching vinyl tops, headliners, vinyl insulation, foam padding and rubber parts to metal and other surfaces. Bonds can be made within minutes of application or as long as one hour later. 18 oz. can.

**M-96-STA each ..... 0.00**

Price Reduced!

### 3M General Trim Adhesive

Rapid drying, high strength, light colored adhesive. Designed for bonding most types of material used in automotive trim operation except unsupported vinyl. Excellent for fabrics, upholstery, foam, jute pads, carpets, re-bonding vinyl top sections, etc. Has adjustable spray pattern, high initial strength and does not require shaking or agitation before using. Provides excellent heat resistance. 24 oz.

**M-96-TA each ..... 9.95**

### 3M Spray Trim Adhesive

Transparent, extremely gas drying adhesive with long tack for attaching upholstery cloth, floor mats, carpeting, kick pads and silencer pads to painted or bare metal, wood, kb board or other materials. 24 oz. Can

**M-96-EXTA each ..... 9.95**

### Woodgrain and Striper Remover

Specially designed for removing vinyl tripes from acrylic enamel surfaces. Jelly like consistency keeps remover in place on vertical surfaces to promote fast action when sprayed from the aerosol. Saves on repair and repaint. 24 oz. can

**M-96-WSR each ..... 22.95**

### 40-Below Cooling Fluid

This is a product demanded by our local customers. It is an additive that you put into your radiator. It completely stops overheating. Thru a patented chemical process it helps to reduce your water temperature 20-40°. Cools extremely well when your radiator gets partially clogged or your car is in a prolonged tight draft. A/C blows colder and works more efficiently due to cooler system temperature. The heater blows hotter which warms passengers sooner and keeps water temperature from rising excessively while vehicle is towing, climbing, sitting in traffic or running with restricted air flow. It is ideal for those flat heads that run a little on the warm side. Great for racing, towing, street rods, RV's etc. Note: This is not an antifreeze although it works with or without antifreeze in the system (30 oz. Can)

**M-96-40B each ..... 33.95**

### Semi-Chrome Polish Polishing Paste

1.76 oz.

**M-99-SP each ..... 13.95**

# 1962-72 Fairlane

Restoration Supplies

### Hirsch Gas Tank Sealer

Alcohol resistant gas tank sloshing compound. Impervious to all fuel types. This will help you restore and repair your tank. It will seal pinhole leaks and prevent rusting. Sold per quart  
(Stock # A09-15005-005)

**OEM # A-9001-ALR each . . . . . 38.95**

### Hirsch Gas Tank Etch

This is a prep for your gas tank before introducing the sealer. It will remove light buildup of rust inside your tank and leaves a grey phosphate coating. 1 pint will do about a 30 gallon tank.  
(Stock # A09-15005-010)

**OEM # A-9001-GTE each . . . . . 15.95**

### KBS Fuel Tank Sealer Kit

The KBS Fuel Tank Sealer Kit contains everything you need to seal a tank of up to 25 gallons. Contains 2 qts. AquaKlean, 1 qt. RustBlast, 1 qt. Gold Standard tank sealer, 1 pair Nitrile gloves and a stir stick. These KBS prep products are formulated with a unique Oxygen-Block Technology which reduces the occurrence of flash rust by over 80% and extends rust-free storage times by leaving a temporary protective coating in addition to a zinc phosphate film.

**KBS-9000 kit . . . . . 79.95**

### Super Gasket Adhesive

Gelled, non-stringing, adhesive for bonding paper, cork or rubber. Resistant to gas, oil, etc. 5 oz. tube.

**Yellow** - (Stock # P19-30170-005)

**OEM # COAZ-19552-A each . . . . . 9.95**

## Cruise Control

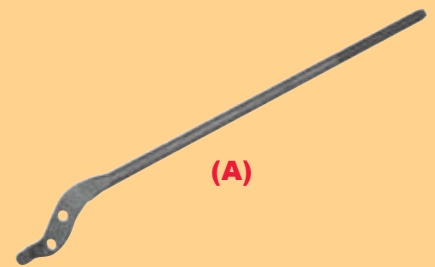

This is the only cruise control that will work with the high performance motors of street rods and sport trucks. This advanced electric servo cruise control uses solid state electronics for exceptional accuracy and reliability. It requires no vacuum and will work with radical camshafts and blown motors. Small and quiet enough to hide under any dash. A simple wiring harness and built-in self-diagnostic check makes for exceptionally easy installation. Add the safety and convenience of cruise control to your vehicle today. 36 month/36,000 mile warranty.

For vehicles with cable driven speedometers: Includes electric servo, mounting hardware, wiring harness, electric speed sensor and choice of control handle. Speed sensor attaches in-line with speedometer cable

**CRS-2000 each . . . . . 280.00**

For vehicles with electric speedometers, or for use with Dakota Digital instruments: Includes electric servo, mounting hardware, wiring harness and choice of control handle. Compatible with 2,000 to 40,000 pulse per mile speed signals. Dakota Digital instruments use 8K ppm signals.

**CRS-3000 each . . . . . 245.00**

**4' x 5' roll**  
(Stock # V05-7040-003)  
**OEM # B-5010-FI roll . . . . . 31.95**

**Best Seller!**

## Noise and Heat Insulation Material

Reflective foil insulation consists of two layers of polyethylene bubble film sandwiched between two layers of pure aluminum foil, making a structure 5/16" thick. Temperature range of -60°F to 180°F. Works great for insulating firewalls, headliners, floor pans, trunk area, door panels, kick panels, rumble seat area, etc. Cut and form into needed shapes using scissors and contact cement or weather strip adhesive.

**48" x 72" x 5/16"**  
(Stock # R05-7040-015)  
**OEM # SR-5010-5 each . . . . . 26.95**

## Body to Frame Insulation Sheeting

**3' wide by 8' long x 1/16" thick roll**  
We recommend using spray-on adhesive for easy installation. Tar paper style.

Gas Tank & Fuel Related Parts

## Oval Air Cleaner Assembly

These are cast aluminum as the original Ford® 6V and 8V carbs had. Notice they are available for single or multiple carbs units. Correct emblems for these will be listed in 16228 section. These are correct for applications 1961-68 and will also fit many other years. They are available with or without the cutout for the engine bird emblem. All comes complete with attaching hardware and a 1 3/4" high air cleaner element.

### With Cutout for Bird Emblem

## Carburetor Linkage Rod Kit

Includes all linkage parts for 3 x 2 barrel set-up, bellcrank, bellcrank to carburetor rod, front throttle rod and rear throttle rod.

1961-66 - 390, 406 and 427

(Stock # P09-16295-165)

**OEM # C1AE-9700-LRK kit. . . . . 69.95**

Includes all linkage parts for 2 x 4 barrel set-up, bellcrank, bellcrank to carburetor rod, front throttle rod and rear throttle rod.

1963-64 - 406 and 427 low riser engine only

(Stock # P09-16295-195)

**OEM # C3AZ-9700-LRK kit. . . . . 69.95**

Includes all linkage parts for 3 x 2 barrel set-up, bellcrank, bellcrank to carburetor rod, front throttle rod and rear throttle rod.

1963-69 - 260, 289 and 302

(Stock # P09-16295-210)

**OEM # C5ZZ-9700-LRK set . . . . . 69.95**

This kit also fits the small block engines with 2 x 4 barrels. You must turn your carburetors around to install on the 260, 289 and 302. This will then give you progressive linkage, which is much better than the original. Includes all linkage parts for 2 x 4 barrel set-up, bellcrank, bellcrank to carburetor rod, front throttle rod and rear throttle rod.

## Lamp Bulb Pliers

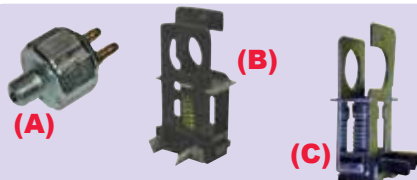

Avoid needless hazards in bare-handed removal of corrosion seized bulbs with dangerously brittle or loose glass. Anyone will appreciate these high quality pliers specially designed for the job. Angled jaws allow easy access to bulbs in small, tight places.

(Stock # P13-20785-200)

**Dome Light Assembly**  
 We have made a bright chrome base with  
 a brighter than original bulb to really im-  
 prove the lighting inside your car. Includes  
 instructions on how to add this to cars that  
 didn't include this feature. It can even be  
 mounted up under the back deck to make  
 a great trunk light. Our reproduction dome  
 lens and chrome bezel as well as the  
 mounting hardware and electrical connec-  
 tors are included to make this a quick and  
 simple project.

## SecretAudio

- AM/FM Stereo • Seek and Scan Tuning
- 4-way Fader • Separator Bass and Treble • 4 Channel RCA Pre-outs • CD Changer Options - Controlled by the Wireless Remote!

**Optional: iPod/USB MP3 interface available for this model!**

Secretaudio is a hidden audio system that offers great flexibility for mounting in any type of vehicle. The main receiver/amplifier unit is usually hidden under the seat or behind the dash. A 12' cord from the tuner/amp plugs into a LCD display. A 9' cord connects the optional CD changer to the tuner/amp.

Included with the system is a flush mount bezel for console or dash mounting. The small dimensions of the flush mount system allow you to install the LCD display almost anywhere. The LCD also comes with a bracket mount for easy installation in the glove box, under the dash, in the ashtray, sun visor, console, or wherever you choose. Since its only 3/4" deep, its especially handy for custom or Street Rod applications where there may be wiring or ducting routed behind the panel you wish to utilize for mounting. When your installation is finished, you'll be rewarded with a quality, professionally installed look.

The Secretaudio SS model remote is a 'RF' (radio frequency) remote. With the RF remote you do not have to be in direct line of sight with the display. In fact, you can use the RF remote from up to 40 feet away, and control all functions of the system and even the optional 10-disc changer.

Secretaudio is designed for installation flexibility. Included with the system is a flush mount bezel for console or custom mounting and a swivel bracket for under dash or ashtray etc.

## Undercover Speakers

Custom Autosound designed and manufactured these speakers specifically for 'under seat' or horizontal 'wall' installations. They could be used on large parcel shelves, or wherever! Compact unit with one 5½" woofer and piezo tweeter in each enclosure. Under seat fit for most pre 1978 cars and trucks. 120 watt capacity! If you've got the space, Custom Autosound has the solution! Each enclosure measures 3" high x 8¼" wide x 11¼" long. Sold in pairs.

**Undercover I** .....119.95

Want a little more from your hidden speaker system? This is it! We have developed the Undercover II with an 8" woofer and 2 piezo tweeters in each box. This system can be mounted in many of the same locations as the regular Undercover. With the 8" woofer in Undercover II you get a much fuller, deeper sound. These are a great addition to Custom Autosound's Concours series radios with their 200 watt capacity. Measures 11" wide x 12½" deep x 3" high. Sold in pairs.

**Undercover II** ..... 139.95

## Digital To Go...

### iPod Mania

With so many iPod players sold, it's inevitable that some of you will want to connect your iPod player to your car stereo. They easily connect to Custom Autosound's CD controller head units with the iCAMKIT iPod connector. Once connected, you can charge your iPod and access your playlist from the controls on your radio. Connects to: 8-PIN DIN at Headunit.

Features include:

- Compatible with any iPod with bottom dock connector
- Power on automatic play function and power off automatic pause
- Automatic pause when switching to AM, FM, CD or TAPE
- No battery required
- Keeps your iPod charged at all times
- Direct connection with CD-quality sound
- ¼" stereo plug for other auxiliary input
- Use your head unit to change songs or fast forward and rewind
- Supports up to 9 play lists in "play list mode"

This adapter will give you the best possible sound from your iPod while playing through your car stereo. Simply plug the ICAMKIT into the CD changer port on the back of your Custom Autosound radio and plug in your iPod. The unit will turn on, turn off and charge your iPod. Song selection is made with the CD control buttons on your Custom Autosound radio, and includes playlist selection and random song selection. If you prefer, the thumb wheel controls on the iPod can be used. The ICAMKIT can be used with or without the Custom Autosound CD changer. If your iPod is not connected, the iCAMKIT can still be used to input audio from external devices such as satellite radio, portable CD, etc., via the ¼" stereo plug.

**iCAMKIT** .....109.00

### USB/MP3

If CDs or iPods just aren't your thing, not to worry - the CAM-US-BFLASH is an easy-to-connect USB port that can be connected with our CD controller radios. With the USBFLASH, you can plug in many USB devices and access compatible audio files. If you have a portable music player with a USB connection, you can easily attach it and play through the USB control. Or, if you have a micro USB memory drive - thumb drives, flash drives, jump drives, USB keys, etc. - on your key chain, you can connect and play the stored MP3 audio files through your car stereo. Connects to : 8-PIN DIN at Headunit.

Features:

- Compatible with any USB-compatible storage device
- Comes with SD card adapter - SD card NOT included
- Allows the use of the radio CD controls to change songs
- Exclusive built-in high quality MP3 decoder
- Power on automatic play function and power off automatic pause
- Automatic pause when switching to AM, FM, CD or TAPE
- No battery required
- Direct connection with CD quality sound
- ¼" stereo jack for other auxiliary input

This USB MP3 player will revolutionize the way you listen to music in your car. Simply plug the CAM-US-BFLASH into the CD changer port of your Custom Autosound radio and insert any USB flash drive. You can now play any MP3 stored on the drive. All control of song selection is through the radio CD control buttons. The CAM-US-BFLASH can be used with or without the Custom Autosound 10 CD changer. If you have a satellite radio or other audio device, you can input sound through the ¼" stereo jack and listen to it on your radio.

## Gen-II Super Cooler

### Gen-II Super Cooler Systems

Comes complete with:

- Evaporator and mounting brackets
- Wiring harness
- A/C duct hose
- Drain kit
- Heater control valve
- Defrost option includes hoses and ducts

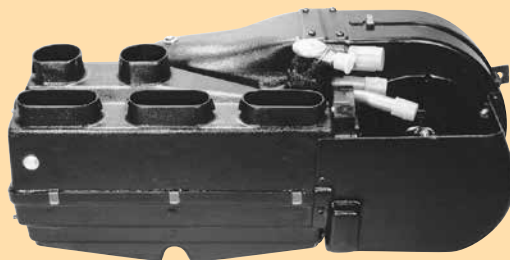

The absolute performance leader! State of the art Gen-II servo motor control technology is the foundation of our most popular heat and cool system ever. Amazing performance is achieved with the Gen-II Super's new "D" shaped outlets. As an added benefit, you can position all 4 louvers wherever you need them. The ideal system for the largest sedans and wagons. Features true bi-level operation in cool and heat modes and a more powerful dehumidified defroster mode.

**Heat, Cool and Defrost 61005-VUZ-A ..... 490.00**

### Gen-II Technology Benefits:

- High torque screw-drive servo motors control all butterfly airflow doors.
  - Increased travel on these doors allows much greater airflow.
  - Immediate response to control input and superior door sealing vacuum controls.
  - No reliance on engine vacuum - important with high performance engines.
- Re-engineered heating and cooling coil.
  - Increases cooling capacity by over 20% and heating capacity by over 100%.
- Re-engineered and computer aided design to evaporator case.
  - Optimized internal case design allows significant airflow volume increases.
  - Increased capacity and control of dehumidified defroster airflow.
  - Blower fan motor isolated on rubber mounts for quiet running and longer life.

## Gen-II Compact

### Gen-II Compac Cooler Systems

Comes complete with:

- Evaporator and mounting brackets
- Wiring harness
- A/C duct hose
- Drain kit
- Heater control valve
- Defrost option includes hoses and ducts

Amazing performance in a compact system! State of the art Gen-II servo motor control technology makes this mid-sized package work better than most other's full-sized systems. Amazing performance with three vents allowing you to position louvers wherever you need them. The ideal system for the coupes and smaller sedans and wagons. Features true bi-level operation in cool and heat modes and a more powerful dehumidified defroster mode.

**Heat, Cool and Defrost 68000-VUZ-A ..... 470.00**

# 1962-72 Fairlane

## Gen-II Mini

### Gen-II Mini Cooler Systems

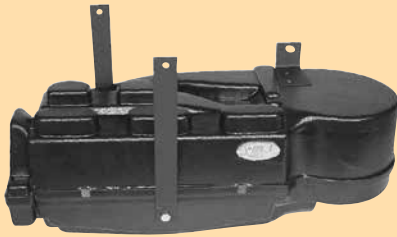

Comes complete with:

- Evaporator and mounting brackets
- Wiring harness
- A/C duct hose
- Drain kit
- Heater control valve
- Defrost option includes hoses and ducts

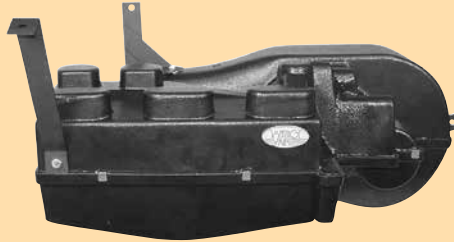

Gen-II technology for the smallest cars and trucks! State of the art Gen-II servo motor control technology is now incorporated into our smallest heat and cool system. All new CAD designed case allows more capacity and air flow than our original Compac systems. The ideal system for trucks and smaller hot rods. Features true bi-level operation in cool and heat modes and a more powerful dehumidified defroster mode.

**Heat, Cool and Defrost 66055 series . . . . . 470.00**

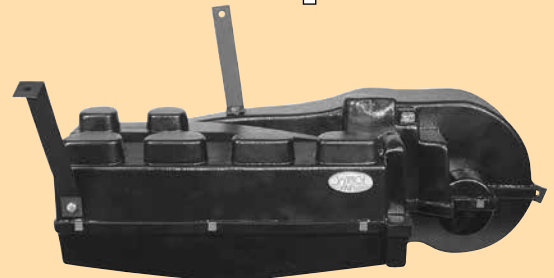

## Gen-II Mock-up Units

Gen-II Mini Mock-up

Gen-II Compac Mock-up

Gen-II Super Mock-up

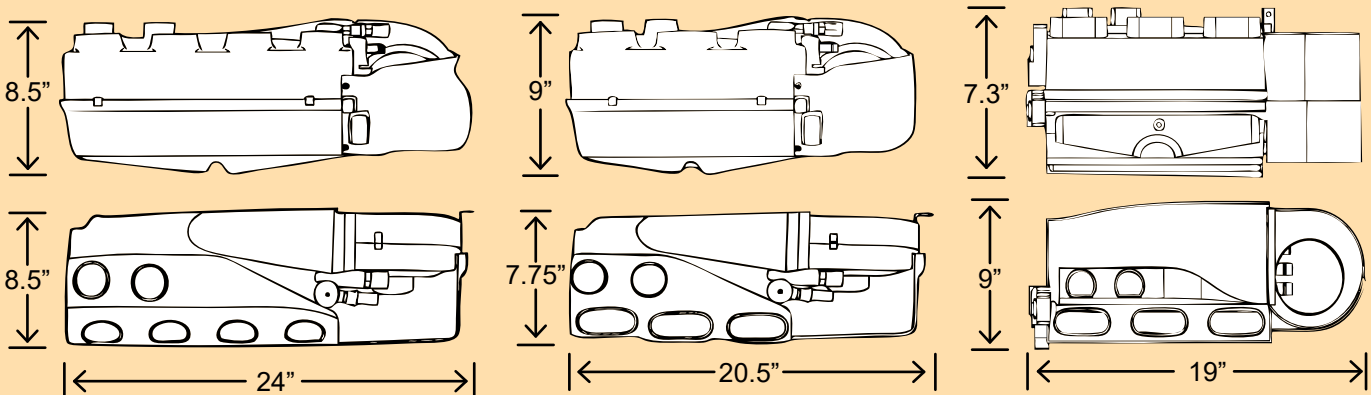

The easiest way to fit your Gen-II into place. These mock-ups are representative cases with jack-nuts and brackets for each Gen-II system, but without the internal components so they are extremely light weight - helpful while holding the unit in place to determine fitment, mounting and hose routing. These mock-up units require a \$50.00 deposit plus shipping costs. Your \$50.00 will be credited to your Vintage Air Order!

## Gen-IV Magnum

### Gen-IV Magnum Systems

Comes complete with:

- Evaporator and mounting brackets
- Wiring harness
- Electric solenoid heater control valve
- A/C duct hoses
- Drain kit
- Defrost kit including hoses and ducts

Gen-IV technology delivers OEM quality climate control! Now you can enjoy true bi-level, infinitely adjustable comfort in your classic car. This large system can handle even the largest sedan or wagon.

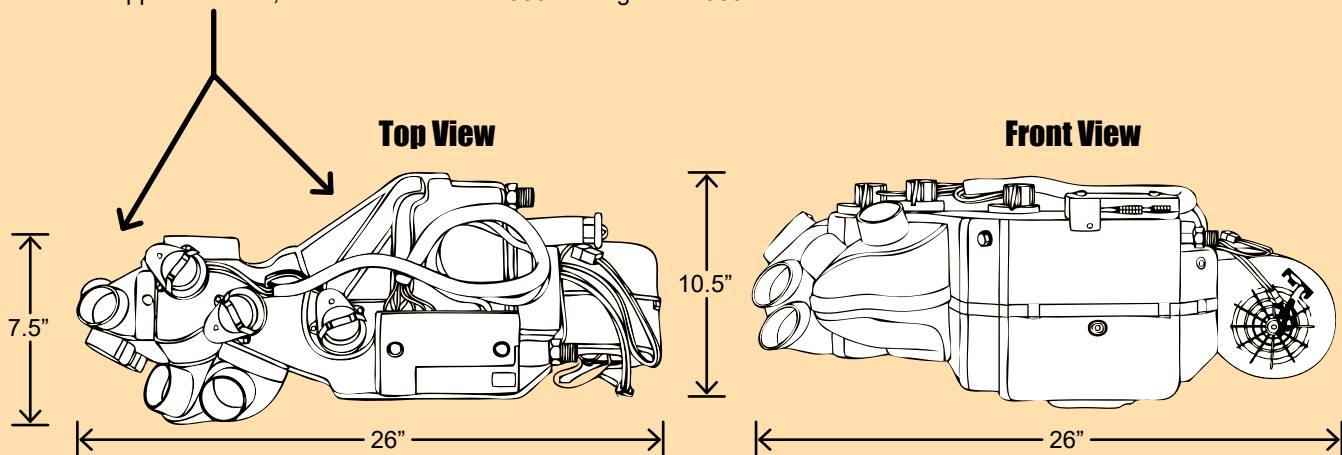

Heat, cool and defrost model

**Heat, Cool and Defrost 671400-VUZ** ..... **699.00**

### Gen-IV System features:

- Fully electronic operation. NO cable or vacuum controls
- Micro-processor controlled coil temperature monitor. No capillary tube to run!
- Separate high capacity heat and cool coils
- Aluminum plate/fin A/C coil - the most efficient evaporator design available
- Copper/brass parallel flow heater coil
- In full A/C mode air bypasses heater core, resulting in less restriction and increased airflow
- Blend air door for instant temperature adjustment
- Infinite dash/floor air bend
- Infinite defrost/floor air blend with dedicated defrost
- Positive shut off solenoid operated heater control valve in max A/C
- Polished Aluminum Streamline control panel

Note: The unique shape of the Gen-IV Magnum allows fitments in vehicles with high transmission tunnels and stepped firewalls, such as cars of the 1950" through the 1980's.

Mark IV

Air Conditioner Parts

## Mark IV Systems

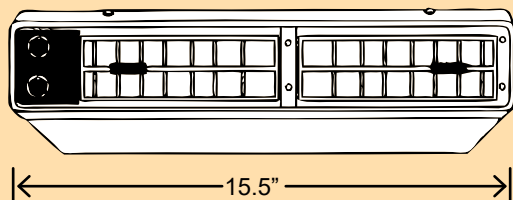

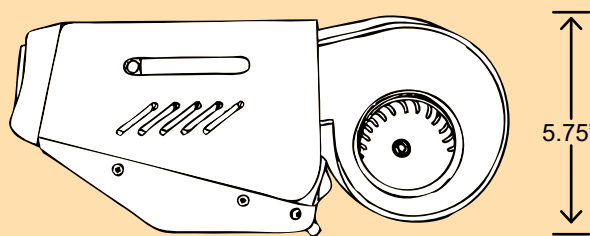

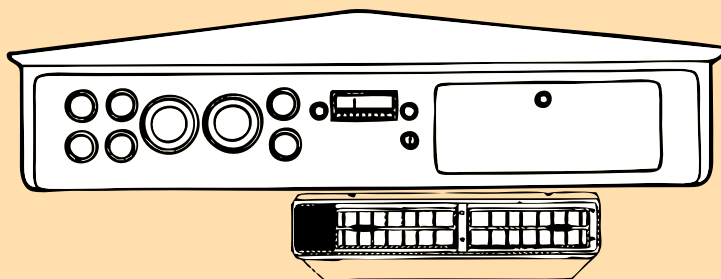

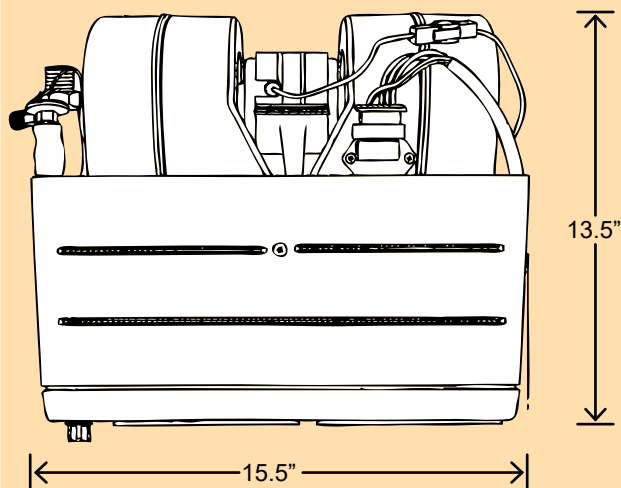

Comes complete with:

- Under dash evaporator and mounting brackets
- Built-in controls
- Drain kit

### The real steel Mark IV is back!

Vintage Air has created an exact reproduction of the most popular underdash air conditioner ever made. The Mark IV features an all steel case built from the original tooling. The timeless look of chrome and real steel combined with Vintage Air's proven performance makes the new Mark IV a great choice for your period perfect ride. Includes mounting brackets and drain line.

**Under Dash Cool Only 672001-VHY..... 299.00**

Please allow 7-14 days for Special Orders!

## The Slim Line System

### The Slim Line System

Comes complete with:

- Under dash evaporator and mounting brackets
- Controls
- Drain kit

This system has been engineered by Vintage Air with a matched blower motor and blower wheel to provide greater cooling capacity and air delivery than any other under dash unit on the market.

Cool only - passenger side fittings

**11301-VUY-A** ..... **315.00**

Heat and cool - passenger side fittings

**11301-VUX-A** ..... **340.00**

Heat, cool and defrost

**11300-VUZ-A** ..... **380.00**

## Mini Slim Line System

### The Slim Line System

Comes complete with:

- Under dash evaporator and mounting brackets
- Controls
- Drain kit

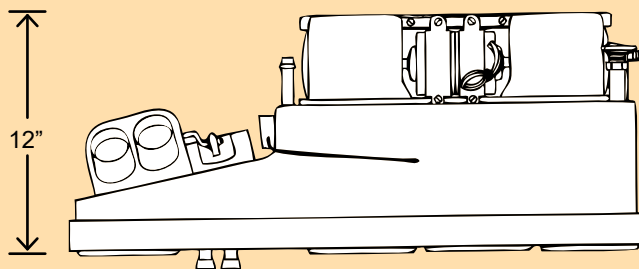

A simple solution to A/C installation. This system has been engineered by Vintage Air with at matched blower motor and blower wheel to provide exceptional cooling capacity and air delivery. Choose driver side or passenger side connections.

Cool only - passenger side fittings

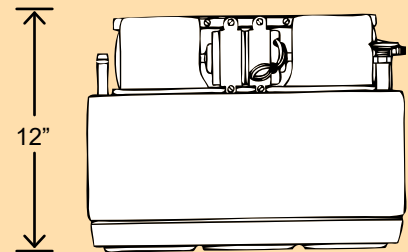

**10301-VUY-A** ..... **310.00**

Heat and cool - passenger side fittings

## Gen-II Controls

Gen-II 4 knob Underdash pod with louver - for Gen-II systems with servo heater valve  
**49205-RHA each ..... 49.00**

Gen-II 4 knob Underdash Pod - for Gen-II systems with servo heater valve  
**49200-RHA each ..... 45.00**

Gen-II Underdash Pod for 4 lever panel - for Gen-II systems with servo heater valve  
**47211-SHA each ..... 15.95**

These are the pods only! The 4 lever Controls are sold separately.

Gen-II Underdash Pod with louver for 4 lever panel - for Gen-II systems with servo heater valve  
**47210-SHA each ..... 25.00**

## Standard Gen-II Fingertip Control

Only Gen-II delivers true OEM style louver air temperature regulation and bi-level operation of A/C and heat modes! This standard panel uses our exclusive servo actuated heater valve which allows the introduction of small amounts of heat to regulate air temperature. Simplified installation with plug-in connections, no vacuum lines, and fewer wires to route. The face is slightly larger to allow you to upgrade from your existing Proline Panel installation.

4 lever horizontal Fingertip Panel - 4.63" wide x 2.44" tall. Internally lighted  
**49110-SHQ each ..... 45.00**

4 lever vertical Fingertip Panel - 2.44" wide x 4.63" tall. Internally lighted  
**49110-SVQ each ..... 45.00**

## Optional Gen-II Panels

### 4 Knob Streamline Panel

Super compact panel controls all functions of any Gen-II system. Engraved and polished panel face. Internally lighted, polished aluminum knobs.

5.318" wide x 1" tall  
**491200-RUA each ..... 159.00**

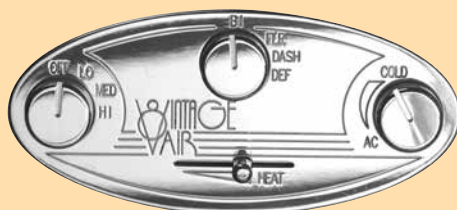

### Machined Face

Machined face aluminum control panel in horizontal or vertical design.

Horizontal Panel - 4.69" wide x 2.5" tall. Internally lighted  
**48103-SHQ each ..... 129.00**

Vertical Panel - 2.5" wide x 4.69" tall. Internally lighted  
**48102-SVQ each ..... 129.00**

### Streamline

Streamline control panel for Gen-II same styling and dimensions as original Vintage Air design! Engraved and polished panel face. Internally lighted and polished aluminum knobs.

Gen-II Pro Panel - 5.5" wide x 2.5" tall. Back lighted knobs  
**48104-RHQ each ..... 154.00**

# 1962-72 Fairlane

## Compressors

### Compressors

Sanden SD 508 Compressor

This compressor is recommended for all Vintage Air systems. It pumps 8.4 cubic inches per revolution with a maximum 6000 sustained RPM range. Fits all Vintage Air brackets. Available in standard finish or polished.

Double V groove pulley - standard finish

**04808-VUA each** ..... **0.00**

Double V groove pulley - polished finished

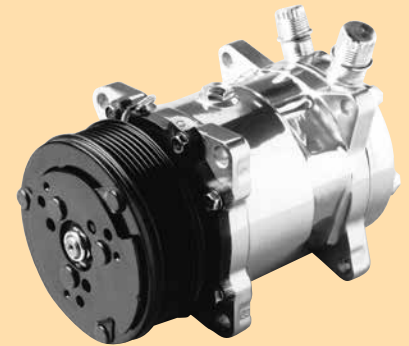

**04808-VUQ each** ..... **249.00**

## Refrigerant and Heater Hose

Air Conditioner Parts

### Barrier Type Refrigerant Hose

All Vintage Air line kits use barrier type refrigerant line for use with HFC-134a refrigerants. Includes fittings with service ports, adequate hose length to connect complete system, all o-ring fittings and crimp ferrules. Includes 6 ft. of #6, 4 ft. of #8, and 5 ft. of #10 barrier hose.

Hose kit with drier and barb fitting	<b>31700-VUD each</b> .....	<b>109.00</b>
Hose kit with drier and beadlock fitting	<b>31700-VBD each</b> .....	<b>109.00</b>
Hose kit without drier and barb fitting	<b>31702-VUD each</b> .....	<b>105.00</b>
Hose kit without drier and beadlock fitting	<b>31703-VBD each</b> .....	<b>105.00</b>

### Standard Heater Hose Kits

Choose straight or 90° firewall bulkhead fittings. Includes: 1 ft. of 5/8" heater hose, 2 standard male o-ring 90° bulkhead fittings (or 2 standard straight bulkhead fittings), 2 female o-ring 90° fittings and 8 hose clamps.

90° bulkhead fitting heater hose kit	<b>31400-VUD each</b> .....	<b>49.00</b>
Straight bulkhead fitting heater hose kit	<b>31401-VUD each</b> .....	<b>49.00</b>

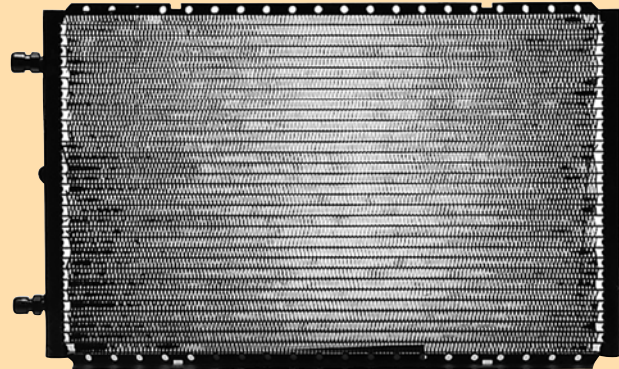

## SuperFlow Condenser

### Horizontal SuperFlow™ Condenser

This new SuperFlow™ condenser design has once again demonstrated Vintage Air's commitment to leading edge technology and superior product quality. The importance of this unique new micro tube design and its improved refrigerant flow cannot be over emphasized. By providing increased refrigerant contact with the micro tube walls and multiple passes per circuit for low restriction pathway, the SuperFlow™ condenser provides up to 40% more capacity than a comparably sized tube and fin condenser.

Perfect for late model cars with more grill area. With male o-ring fittings. Top #8. Bottom #6. All condensers include universal mount bracket kit.

Condenser with brackets 12" tall x 20" wide x .83" thick	<b>03701-OVA each</b> .....	<b>117.00</b>
Condenser with brackets 12" tall x 24" wide x .83" thick	<b>03704-OVA each</b> .....	<b>0.00</b>

**OEM # C8OZ-06024-65A each . . 83.95**

## Console Body

This part looks like original and features original Corinthian grain texture and stitch design on top rails. Stronger than original plastic which is prone to cracking, this part is made of hand laid fiberglass and is designed to replace your original. This is the console body only, you will need your original shifter plate, upper tray and console lid to attach to this new body or you can buy a new lid from us (see above). Manufactured in white, must be dyed to match. "These are a suitable fiberglass replacement but not a perfect part, hand laid fiberglass has some surface imperfections. Made in the USA!

returnable.

Miscellaneous Interior Parts

Our carpet is molded to the original factory specifications. It is made of 80/20 rayon-nylon loop, the best in the business. The basic 1949-65 carpets are molded, however a few will be cut & sewn as were the originals. The basic 1966 & up are all molded as original. We are going to list the most popular colors which will satisfy the needs of 99% of all cars. We do want to inform you that we can special order almost any color of your choice that may not be listed. Note: All special order items must be pre-paid in advance.

- Contoured to fit over transmission tunnel to eliminate bulges & wrinkles.
- Pre-cut mounting holes (1 piece) available on many sets for ease of installation.
- Dimmer switch cut out is not available on all sets due to the difficulty in accurate placement from car to car.
- Original style plastic compound heel pad - as close to 100 pt. as possible.
- Backing material gives a soft, thick cushion effect for comfort as well as appearance. This is optional on some sets.

Please provide the following information  
at the time of order:

- 1.) Year of Car
- 2.) Body Style
- 3.) Automatic or Standard Transmission
- 4.) Column or Floor shift
- 5.) Bench or Bucket Seats
- 6.) Footwells in the front floor pan -  
yes or no?
- 7.) Power seats - yes or no?
- 8.) Console - yes or no?
- 9.) Color

We can provide up to three color swatches to customers interested in ordering Carpet. Please call customer service to order samples.

We also have them for your online viewing at the following:

### Embroidered Floor Mats

These floor mats are made from the same carpet stock as our molded carpets. They are produced with the same care and attention as the molded carpets. The bottoms are made of durable, pliable, synthetic material that has nibs formed into it to grip the carpet. This eliminates the need for snaps or other fasteners found on the cheaper floor mats. These hundreds of rubber nibs assure a non-skid floor mat. They have surged edges which prevents separation from the backing. These come in 4 piece sets complete with front & rear mats. Embroidered logos are on the front mats only.

We will need the following information when ordering mats:

- 1.) Year of vehicle
- 2.) Make of vehicle
- 3.) Logo Design # and Embroidery Color
- 4.) Carpet Color

**OEM # FMAT-13000-EMSPO set . . . . . 138.95**

### Noise and Heat Insulation Material

Reflective foil insulation consists of two layers of polyethylene bubble film sandwiched between two layers of pure aluminum foil, making a structure 5/16" thick. Temperature range of -60°F to 180°F. Works great for insulating firewalls, headliners, floor pans, trunk area, door panels, kick panels, rumble seat area, etc. Cut and form into needed shapes using scissors and contact cement or weather strip adhesive.

48" x 72" x 5/16"

(Stock # R05-7040-015)

OEM # SR-5010-5 each ..... 26.95

### Acousti-Shield Kit

A multi-stage, automotive insulation and sound damping system to give older Cars and Trucks the "quiet riding comfort" found in today's new vehicles coming off automotive assembly lines. Acousti-Shield kits are designed on current, "state-of-the-art" auto acoustic technology, to insulate and control the noise, vibration and heat in the passenger cabin. These kits are pre-cut and ready-to-install in a couple of hours Everything to do the job right is there. Sound damper pads, pre-trimmed heat absorber, barrier panels, spray adhesive and sealing tape. Kits include pieces for the cowl area, the roof, the trunk, the body and the floor. Great Item !!

## Universal Door Seal

This is an OEM type door seal that we offer by the foot. It will be exactly as many of the Ford® product cars, but you will need to "razor blade" your specially molded ends and glue them onto the seal. These door seals will help many people with cars that molded seals are no longer available. This is USA made, top quality rubber.

## Door Seal Kits

These kits are new, fresh USA reproductions. They are exact in every detail. They include the front, top, back and bottom sides with specially molded corners as came originally on your car. No detail is left out. One kit is enough for one car. Glue on with black weatherstrip adhesive.

**OEM # B-37001-B each . . . . .15.95**

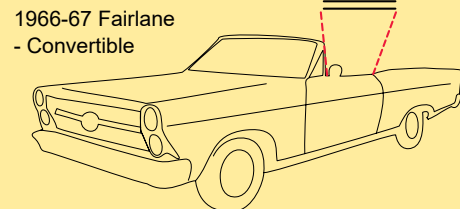

## Door Window Felt Weatherstrip Kits

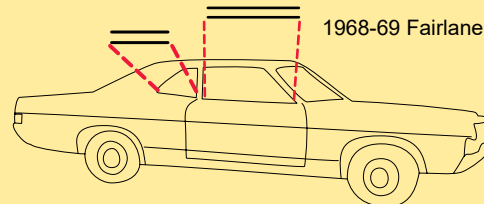

We have our own shop where we manufacture all our window felt kits. We have drastically increased this product line in the past few years, and now have the capability to duplicate any original felt kit. If you don't see your application listed, it's because we have not received a good original sample for a pattern. Call us and talk about sending your old set. We should be able to give immediate service on these kits. All door glass anti-rattler kits come complete with clips installed and with the end pre-bent as original. Kit also includes one outer piece for your door and one inner piece for garnish molding with installation staples as original.

Door & Window Parts

### Complete Power Door Kit

Our complete power door kit has everything you need for two doors. Each kit includes our 3 function remote, power actuators, medium bear claw latches, and adjustable door rods.

**PDK 01** ..... **419.95**

### Power Bear Claw Door Shaved Door Handle Kit

Comes complete with right and left Power Bear Claw latches, Rocky Hinge's 3-function Keyless Entry System, wiring harness and easy to read instructions.

**SDP 01** ..... **345.95**

### Shaved Door Handle Kit with Solenoids

Our heavy duty shaved door handle kit comes complete with two high powered 60 lb. solenoids and a 3 channel keyless entry that will operate two doors and a trunk. Also included is our wiring harness with relay pack that has built-in safety feature to prevent the doors from accidentally being opened while the vehicle is running.

**SDH 01** ..... **345.95**

### Power Window Kit

Equipped with Bosch electric motors, these center lift power window kits are the smoothest available. Their compact design makes installation easy with no welding required. Each deluxe kit contains a left and right window regulator, two bottom window channels, complete wiring harness with crossover wiring, lighted window switches, and an installation guide. Priced in pairs.

**PWK 001** ..... **318.95**

### Power Window Switches

These switches use your original handles or aftermarket handles to operate your power windows. No relays required. Priced per pair available in 3/8" or 5/16" square shafts. Please specify size when ordering.

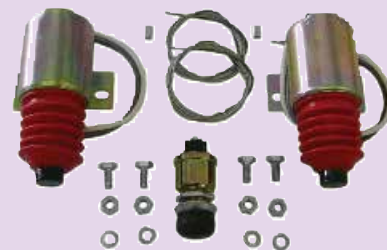

**PWS 01** ..... **193.95**

### Three Function Keyless Entry

This three function keyless entry system opens two doors and a trunk. Each kit contains 2 transmitters, receiver, and wiring.

**2RTA 01** ..... **112.95**

### Heavy Duty Solenoids

Tested at 40 lbs pull our solenoids work great with original door latches. Kit comes complete with 2 solenoid, 18" stainless cable, emergency override switch, one water proof button, instructions and all mounting hardware.

**HSB 01** ..... **165.95**

### Seven Function Keyless Entry

This 7 function keyless entry will roll your power windows up and down or lock and unlock your doors. It will also operate a power trunk. Kit includes two four button key fobs, four relays, wiring harness and instructions.

**7RTA 01** ..... **202.95**

## POWER DOOR LOCK KITS

Door & Window Parts

### MES 4-Door Power Lock Kit

Comes with everything you need to convert your locks to power for all four doors.

**LK01-50-123.....177.95**

### MES 2-Door Power Door Lock Kit

MES door locks are Swiss made, and are original equipment on Ferrari, BMW, and Mercedes Benz. When you're looking for the best, specify MES.

**LK01-10-122.....119.95**

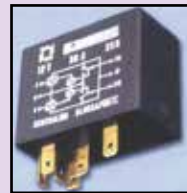

### Keyless Entry/Starter Disable System

The ELECTRIC-LIFE Keyless Entry/Alarm module comes with 4 programmable channels.

#### Features:

- 4 Programmable Channels
- 2-4 Button Transmitters
- Remote Panic (full time)
- Separate Lock & Unlock Buttons
- Starter Disable Output (built in relay)
- Channel Pulsed Output
- Sire / Horn Honk Output
- 3rd & 4th Channel Pulsed Ground / Variable Output
- Power Door Lock / Unlock Outputs
- Driver's Door Unlock Output

**95121.....73.95**

### Power Door Lock Module

The power lock module can be used to operate any reverse polarity motor. The module is triggered with (-) inputs, eliminating the need for multiple relays.

**3901-58-918.....35.95**

### Manual Door Locks to Power Remote

Convert your old manual door locks to full power remote with this kit. The combination power door lock and keyless entry system will convert your old manual locks to full remote power. Comes with 2-4 button transmitters that can activate your locks from 100 feet away.

**95120.....169.95**

## KEYLESS ENTRY & DOOR LOCK KITS

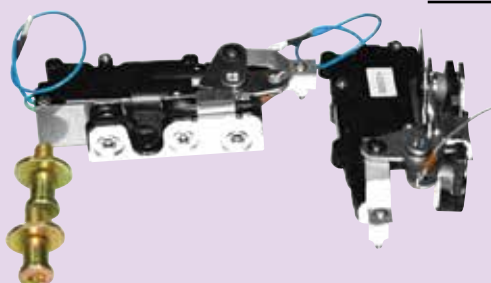

**MES 5 Wire Lock Actuator**  
 The most powerful trigger actuator available. This precision Swiss made actuator can pull an actual 12 lb. load and can operate any door lock. Comes complete with mounting hardware. Sold each.  
**4202-10-910 ..... 24.95**

**MES 2 Wire Lock Actuator**  
 The 2 wire MES actuator performs exactly like the 5 wire unit, and can be used to open door latches, hood latches or tailgate releases. Sold each.  
**4202-10-909..... 21.95**

**Power Bear Claw Latch Kit**  
 This is the ticket for an award winning street rod. This kit is complete with left and right Bear Claw latches, attached power actuators, and manual cable release to insure a safe exit in case of power loss.  
**94000. .... 167.95**

**50 Pound Door Solenoids**  
 99004 pair ..... 79.95  
 99003 each ..... 49.95

**Economy Shaved Door Handle Kit with 12 lb MES Actuators**  
 Our Economy Shaved Door Handle Kit uses all the same components as our heavy duty kit except that we use our 12 lb MES actuators in place of the 50 lb solenoids. This kit will pop any late model door or Bear Claw latch. For early model vehicles with heavy latches use the Heavy Duty Kit.  
**99002..... 174.95**

**Power Bear Claw Shaved Handle Kit**  
 Take that ride to the next level with our Power Bear Claw Shaved Handle Kit. Complete with left and right power bear claw latches, 4 channel keyless entry with two 4-button remotes and heavy duty plug and play wiring harness.  
**94100..... 359.95**

**Bear Claw Mounting Kit**  
 When installing one of our power Bear Claw kits, don't forget to order our mounting kit for the striker bolt. This kit greatly simplifies the installation process, and will make quick work of lining up the latch with the striker bolt.  
**94103..... 69.95**

**Please allow 7-14 days for Special Orders!**

end view

### Roof Rail Seal

We have made this seal to fit many of the Ford® product cars. It is exactly the same, except it does not have molded ends. We recommend that you razor blade your ends off and glue them onto these seals. It is the economical way to go and an alternative for those applications that are not being made. Sold in 8 foot pairs.

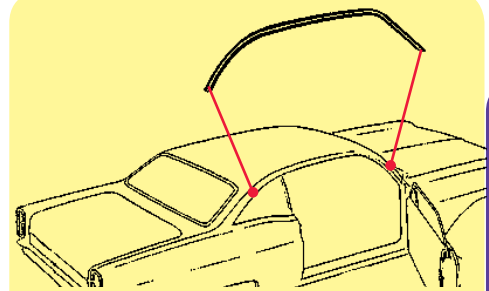

(Stock # P51-62005-040) - **narrow style**

**OEM # C0AZ-51222/3-62A pair . . . 39.95**

## Headliners

Our headliners are made in the original material, or the closest substitute available. We should be able to supply you with headliners for all body styles 1962-72. Please allow 14-20 weeks for delivery as these are made to your exact specifics. If your headliner is other than black or white, we will need a clean 2" x 2" sample piece. **When ordering, please include the following information:**

1. Year of car
2. Body style
3. How many metal bows are in the roof
4. Color
5. Pattern

Double check all your information before ordering, as all headliners are custom made and non-returnable. All special order items must be paid for in advance.

## Convertible Tops

All of our kits are made from 38 ounce 'heavy duty' OEM material. They are made in the original material, or the closest substitute available. All tops are made of the correct pin-point vinyl backed material with a heavy duty sateen backing as the originals. They have dielectric ally heat sealed seams and sewn to original factory specifications.

**Please include the following information when ordering:**

1. Part number
2. Year of car
3. Desired color - If you desire a color other than black or white, please send a clean sample so we can insure correct color matching.

Be sure to include all information necessary when purchasing a convertible top or back window, as they are made to your specifications, and are non-returnable.

## 1967 Fairlane/Ranchero Bucket Seat Upholstery

These are a replacement for the original seat covers and not an exact reproduction. The original had an embossed pattern in the vinyl. This does not. This is made in the original Sierra grain vinyl with rosette insert, in the correct colors with the correct stitch pattern which works well as a nice replacement to the obsolete pattern. A high quality product made right here in the USA. Seat emblems sold separately.

**Available colors: Black - Parchment - Aqua - Red - Blue - Saddle - Two Tone Blue - Ivy Gold**

CAR COVERS

**Extra Logo**

### Technalon Car Cover

These covers are made of technalon. It is simply nothing but the best! These are the most rain resistant "breathable" car covers on the market. They are made from a triple fabric. They are a high-tech three layer fabric, lightweight and pliable in all weather conditions. They don't smell, rot or mildew. The outside and inside cover are made of long fibers which make the fabric very tough but very soft and non-abrasive. The middle layer is made of shorter fibers that catch water but still allow air to circulate. These covers have double stitched seams and neoprene elastic sewn into the hems at the front and rear for a snug, perfect, custom fit! They come equipped with non-scratch plastic grommets reinforced into the lower sides which will accommodate the tie down rope which is also included with the covers. This is a inexpensive investment for a valuable paint job! Specify blue, gray or tan.

### Screen Printed Logo

Additional Screen printed Logos are available on the front of the car cover (see photo). Logos are \$25 and are screen printed in BLACK only. This is completed at the time your car cover is ordered. Order the FD # above that corresponds with the logo you want on the front of your cover.

**SPECIAL ORDER ITEMS ARE NON RETURNABLE! Please allow 10-14 days for delivery.**

# Ordering Information

## To Order By Mail

We accept personal checks, cashier's checks, and money orders, as well as Discover, Visa, MasterCard, and American Express credit and debit cards on any mail order. Generally we will ship your order to you no later than 48 hours from the time your payment has cleared. Please note that personal checks and some cashier's checks may take up to 10 working days to clear. If we are out of stock on any item we can, at your option, place that item on a back-order status and as soon as we receive the item in our warehouse we will promptly ship it to you. If the back-order should extend beyond thirty (30) days, we will notify you, and you may request to keep the part on back-order, or cancel the order.

## To Order By Phone

If you have your order ready including part numbers and quantities, simply call our toll free order desk at 1-800-654-3247 and one of our friendly, English-speaking operators will be happy to assist you. We accept Discover, Visa, MasterCard, and American Express credit and debit cards for telephone orders. If you have questions or need more information about a particular part or it's application, please call our parts department desk at (405) 631-3933 and one of our professional parts team members will be happy to assist you and answer any questions you may have.

## To Order Online

Ordering is easy online. Just go to our website at [www.CLASSICAUTOPARTS.COM](http://www.CLASSICAUTOPARTS.COM). We accept Discover, Visa, MasterCard, and American Express credit and debit cards for online ordering. If you have any problems ordering online or have a question about a particular part or it's application, give us a call and we will be glad to assist you in any way we can.

## Shipping Charges

Usually, your order will be shipped out no later than 48 hours after payment has cleared. Our primary shipping carrier is Federal Express, which allows us to keep shipping charges as low as possible. All Orders that are shipped via Federal Express ground within the continental United States will have the cost of shipping added to the order based on the shipping chart shown below. If you prefer that your order be shipped by another shipping company, you may request such when placing your order and we will quote you shipping charges at that time. **Oversized items that cannot be shipped using standard ground shipping will be shipped motor freight, and will incur additional shipping charges.** Please inquire when placing your order about additional shipping fees. Orders shipped to Alaska, Hawaii, or Puerto Rico will also incur additional shipping charges.

## Air Shipping

Next Day Air, Second Day Air, and Third Day Select Shipping is available on most items. You may request one of these shipping options when you place your order and we will quote you shipping charges at that time.

## Returns & Refunds

We accept returns on most items for thirty (30) days from the date of your invoice and will issue a refund for the purchase price less shipping charges as long as the items returned are still new in the original box. Items that have been installed, painted, scratched, or bear any sign of use cannot be returned. If you receive a defective part or we make a mistake on your order, notify us as soon as possible and we will expedite an exchange and cover all shipping costs to do so. All returns require a Return Authorization number (RA#), a copy of your invoice and a letter explaining why you are returning the item. The RA# should be written on the outside of the box. **We will not accept for return any items returned without an RA#.** All pre-approved items for return may be subject to a 20% restocking fee. All returned items must have shipping pre-paid. We will not accept C.O.D. returns. **Certain items cannot be returned such as books, catalogs, electrical parts, wood parts, special order parts or custom made items.** Please call us at 1-800-654-3247 to get an RA#.

## Damaged Items And/Or Shortages

You should inspect your order as soon as possible upon arrival. If you receive items that have been damaged in shipping the carrier should be notified immediately. If items are delivered via Motor Freight, please count all cartons before signing for the delivery and note any discrepancies on the bill of lading with your signature. **DO NOT RETURN DAMAGED ITEMS TO US!!** The carrier is responsible for all damages caused during shipping and will need to inspect the damaged items. Please call us if you have any questions concerning this. If you find a shortage or wrong item when your order arrives, please notify us within 72 hours of receipt of package. We are not responsible for wrong or missing items after 72 hours. We will do everything possible to make sure your claim is promptly taken care of.

## Refused or Undeliverable Shipments

Customer will be responsible for any shipping charges, storage fees, and handling fees associated with a refused or undeliverable shipment. A 20% restocking fee may also be charged.

## Pricing And Availability

All pricing and availability of items published in this catalog were accurate at the time of printing. However, due to production, supplier, and other market forces beyond our control, **prices do fluctuate from time to time as does the availability of certain items.** Please call us to confirm pricing and availability of any item or you can check out current and up to date pricing and inventory availability on our website at [www.CLASSICAUTOPARTS.COM](http://www.CLASSICAUTOPARTS.COM). Every effort has been made to insure that all information in this catalog is correct, however we are not responsible for typographical errors or misprints.

## Mailing List & Account Information

The first time you place an order with us we use the phone number you provide as your account number. We also maintain a record of purchases you make from us as well as your home and e-mail address information. We use this information to send you special sales fliers, new item updates, and other information that our customers tell us they find useful. If your address or phone number changes, or you do not wish to receive promotional notices from us, please contact us and we will update our records. We **do not** sell nor distribute any of this information to any outside source.
